

Education and Outreach RFP – Sept 2020

The EuroQol Education and Outreach Working Group has a mandate that supports part of the EuroQol mission unrelated to Research & Development but is vital in sustaining the EuroQol membership and its goal: education and outreach.

EuroQol members may submit plans related to any topic relevant to the EuroQol mission, those activities may be:

- organizing educational meetings
- design of courses (face to face or online) or educational materials aimed to improve EuroQol use and dissemination.
- support to present a workshop or short course at a conference.

To receive funding for meetings or collaboration efforts, a deliverable should be clearly defined, such as a research proposal or a publication. Funding applications received for education and outreach initiatives will be prioritized based on the strategic relevance of reaching out to the targeted population, the suggested topic, and the overall efficiency of the recommended educational or outreach approach.
