

# 6th EUROQOL ACADEMY 2022

## Noordwijk, the Netherlands

## CALL FOR ABSTRACTS

We are pleased to announce that all members of the EuroQol Group are invited to attend the hybrid 6th EuroQol Academy 2022 in Noordwijk, the Netherlands on 14-16 March 2022. The meeting can be attended in-person or via the arranged digital platform.

### Sessions

The main objective of this meeting is to provide open sessions to EuroQol members and presenting author of accepted abstracts that relate to EQ Group's ongoing research agenda. Please find the Preliminary Programme attached. The theme of this year's meeting is:

### *The development of the EuroQol instruments and the evolution of the Group*

### Poster presentations

Individual poster presentations are scheduled for Tuesday 15 March. Research that aligns with the EQ Academy meeting programme and aims of the EQ Working groups will be reviewed and accepted for presentation. Research in innovative areas are also welcomed. We kindly invite you to submit an abstract through the [Abstract Submission Portal](#) by **Sunday 12 December 2021, 23.59 CET**.

### Podium Pitches

On Tuesday morning 15 March, a Podium Pitches Session is programmed. In this session (3-5 min per presentation), accepted poster authors will orally pitch their research (no slides). Their poster can be viewed and discussed upon during lunch. The EuroQol Academy also offers the possibility for EuroQol funded PhD projects to be presented. **If you are interested to present your PhD project funded by EuroQol, please kindly submit (2-3) slides to the EQ Office at the latest by Friday 18 February 2022.**

### Meeting opportunities

The EuroQol Academy also offers the possibility for other Working Groups, Special Interest Groups (SIG) and International groups of collaborators to meet face-to-face. Please contact the [EQ Office](#) before the end of January 2022 if you require meeting space. Requests for meeting space after this date cannot be considered.

### Participation

Individuals eligible to attend the meeting are:

- All EuroQol Group members
- Non-Members (Presenting author on accepted abstracts or Non-members that would like to attend the meeting)
- Invited Guests

**Non-Members** that would like to attend the meeting can send a motivational letter to [Elly Stolk](#) via email before Monday 3 January 2022. Participation approval will be given to those with the strongest –not necessarily earliest- overall motivational letter. Furthermore, information on the final programme and registration procedure will follow in January 2022.
