

8th EuroQol Academy 2024

EUROQOL, HELPING THE WORLD MAKE BETTER HEALTH DECISIONS™

CALL FOR ABSTRACTS

We are pleased to announce that all EuroQol members are invited to attend the 8th EuroQol Academy (ACA) 2024 in Copenhagen, Denmark on 5-7 March. The 4th EuroQol Early Career Researcher Meeting 2024 is organized in advance of the EQ Academy 2024 on Tuesday 5th March.

Academy Theme 2024

The main objective of this meeting is to provide open sessions to EuroQol members, that relate to the theme of this year's meeting, which is:

EuroQol instruments in today's world: exploring new frontiers

Global interest in EQ-5D vastly exceeds what its original designers could possibly have imagined. The world has changed around us and the perspectives of regulatory agencies, healthcare systems, and populations today are different to those of nearly 40 years ago.

Contemporary needs and novel applications invite us to focus on ensuring that EQ-5D remains "fit for purpose".

Our Academy meeting allows us to revisit the past and to learn about how our portfolio of instruments is being applied – in different populations and disease groups, in different healthcare settings, in day-to-day patient management, in shaping health policy, and in monitoring the health of populations. We need to learn where EQ-5D works and where it does not.

This knowledge will provide us with a platform to share our thinking about the way ahead and enable us to explore new frontiers.

Poster presentations

Guided poster sessions are scheduled for Wednesday 6th March. A moderator will lead viewers through each poster in turn, and the poster authors will be available for questions and clarifications. Each poster will be discussed for approximately 5-7 minutes. Research that aligns with the Academy meeting theme and aims of the EuroQol working groups will be eligible for consideration and may be accepted for inclusion in the poster session. Priority will be given to those who align with the meeting theme. We kindly invite you to submit an abstract through the [Abstract Submission Portal](#) by **Monday 20 November 2023, 23.59 CET**.

Timelines	
Mon 20 Nov 2023, 23.59 CET	Deadline submitting abstracts
21 – 28 Nov 2023	Review and selection of abstracts
Fri 1 Dec 2023	Inform authors on acceptance of their abstracts
Thu 7 Dec 2023	Invitation to register for the meeting
Sun 14 Jan 2024, 23.59 CET	Deadline registering for the meeting
Mon 12 Feb 2024, 23.59 CET	Deadline for submitting digital posters (PDF landscape)

Participation

Individuals eligible to attend the meeting are:

- All EuroQol Group members
- Non-Members (Presenting author on accepted abstracts)
- Invited Guests
- EQ Office Team Members
- ECR meeting participants

8th EuroQol Academy 2024

EUROQOL, HELPING THE WORLD MAKE BETTER HEALTH DECISIONS™

Non-Members that would like to attend the meeting and lack of a submitted and/or accepted abstract, can send a motivational letter to [Mandy van Reenen](#) via email **by Tue 5 December 2023, 23.59 CET**. Participation approval will be given to those with the strongest – not necessarily earliest- overall motivational letter.

Furthermore, information on the final programme, registration procedure and meeting policy will follow soon.

If you have any further questions, please contact [Zhihao Yang](#), Chair of the EQ Education and Outreach Working Group

We look forward to receiving your abstracts!

EuroQol Education and Outreach Working Group
